

Welcome to XFINITY

Dear Resident,

We have some exciting news about upcoming changes to your television and internet service beginning February 1, 2020!

Through the new Comcast bulk agreement with the Black Horse Run II HOA, you will now be able to enjoy the Digital Starter cable package with one (1) X1-HD receiver and up to two (2) HD digital adapters along with our Performance Pro Internet with one (1) modem, only from Comcast.

Want to upgrade your service or add additional service? Talk to a Comcast representative about upgrading your XFINITY service today!

You have two options to start enjoying your XFINITY television and internet.

Option 1: Visit one of these Comcast stores to pick up a Self Install Kit – easy, simple install (instructions included) if you already have Comcast service:
