Paul was born in Salt Lake City but grew up in Idaho and Bountiful. He served a mission to Brazil as a young man and has a great desire to go back to that wonderful country. Shirley was born in Glendale, California and grew up in Van Nuys, California. As a side note, we discovered that Shirley and Sandy Ellsworth lived in the same ward in Van Nuys for part of their growing up years. Our parents were great friends. What a nice connection!

Both Paul and Shirley attended BYU and were introduced by one of Paul's old missionary companions. However, Paul was the lucky one, and he and Shirley were married in the Los Angeles Temple two days after Shirley graduated from BYU. We moved to Provo until Paul graduated and then he began his career in Healthcare Finance, moving through the ranks until he became Chief Financial Officer at Utah Valley Hospital and American Fork Hospital. Shirley taught 5th grade for a year until the children started to come. We have eight wonderful children. Three live on the East Coast, one in Idaho and the rest in Utah. We will have 22 grandchildren when our newest grandchild is born at the end of March.

Most of our nearly 51 years of marriage has been spent in American Fork and Alpine. We have served a mission in New York, served at BYU and at the MTC, and currently serve in the Mt. Timpanogos Temple. We hope that our health will be good enough for us to serve one more mission. (Paul would love to return to Brazil and serve a temple mission together.) We have enjoyed camping in the nearby mountains with our family, love family activities, love to read and watch old movies. One of our favorite family vacations was traveling across the US with all 10 of us crammed in a Dodge van and visiting Church History sites. We have had a wonderful life and are excited to begin this new adventure here with all of you.

The next Board Meeting will be on Wednesday, April 8, 2020 at 3:00 p.m., at the home of Ed and Carol Brandt, 1474 W. Renaissance Place. *Notices of the meeting are posted on both mailboxes a few days before the meeting. The first part of the meeting is reserved for Resident's concerns.*
